

iHola Amigos!

Krista and I are excited about the opportunity to help multiply the work of missionaries all over Europe through documentary films and promotional videos.

Our mission: Tell the story of God's work in the orphanages of Romania, seminaries of Greece, church plants of Holland, and Muslim ministries of London, to name a few. This is just the surface of the dramatic lives of over 400 missionaries who we hope to encourage. By faith, the documentary films will communicate the passionate dedication these missionaries have to spread God's love among the nations.

Just like those who have gone before us, we too could not get to Europe on our own. So many of you have already been asking us how you could get involved. Well, here's how you could help. We have two major financial needs:

- Monthly Support.** The anchor that keeps us in Europe, doing our jobs, day in and day out. Insurance, ministry expenses, housing, salary, transportation, etc.
- Outgoing Expenses.** The driving force that gets us to Europe. Funds for language school, moving, plane tickets, etc.

Although both categories are vital, the **Monthly Support** determines when we leave for Spain. We are eagerly planning to attend the Pre-Field Training and Language Courses in June, however, we cannot enroll in this training until we reach 60% pledged **Monthly Support**.

We ask that you will prayerfully consider joining this adventure through your financial support.

Much grace,
Joel and Krista
